Hi Aaron,

Just two minor comments. No need to resend to QC – approved.

- (accounting) – flip the order of other assets and due from partners on the SCF so that it matches the BS
- (formatting) – add a \$ symbol to the Partners' capital balance since this is the first row in the sub section

Thanks,

Thanks Matt – I just removed that double underline and saved a new version down.

Annie,

On the SCF I looked back at PEI audited financials and I don't think you need the double underline for the Supplemental Disclosure line. Here is a snippet of the audited FS for that same line in PEI

Everything else looks good.
