Hi Alex,

Just a few comments on the V FS.

- (formatting) – Can we add a \$ symbol to the first row on the IS? The dollar symbol was present on the 2024 AFS.
- (footing) – the Statement of Changes in Partners' Capital doesn't foot. The Syndication costs row is currently hidden.
- (formatting) – please change “partner’s” to “partners” (apostrophe after the s to make it plural) on the IS and SCF

Thanks,

WAIT. I take it back on the border lengths haha. I switched to the word export I was using for spellcheck by accident and the export did something to the border lengths but my question on the double bottom border vs single bold still stands, in case we need to tweak something.

Suuuuper easy comments/questions:

- If it was like this last time, we can leave it, but is it right that the Assets border is a double bottom? Same question on the SOI totals though I'm assuming that one is the same as it has been.
- Remove extra length on the bottom border here on the BS, and also the top border of the Cost column of the SOI (I didn't snip that one):
-
- Will you update the footnote here to say "and" instead of "an"? Also jury's out on this one, but I'm in between on adding a period at the end of that sentence too. I'm fine to leave it, just wanted to point out.
-

Once those are resolved, if you don't have any questions, good to push to QC.

Thanks guys!
